

Dear Friends.

Subject: – Publication of Commemoration Volume on the occasion of Platinum Jubilee

Theme – The Different Dimensions of the Development: A Multidisciplinary Approach, with special reference to Jharkhand.

The College has entered 75<sup>th</sup> years of its existence this year i.e. 2019, and the Platinum Jubilee is being celebrated through the year (2019-20). The College management has decided to bring out a Commemorative Volume on this grand occasion. The theme of the volume, **The Different Dimensions of the Development: A Multidisciplinary Approach**, with special reference to Jharkhand.

The primary objective of launching a book is to offer a platform to the academicians of the different Colleges/Institutions of Jharkhand, and to friends at large for publishing their researches. Our aim is to focus on the different dimensions and approaches of development on Jharkhand.

The main purpose of this book is to bring into focus, inter-disciplinary areas for the presentation of research (empirical/case study), and exchanges from the field of knowledge.

Through this effort, it hopes to fulfill the intellectual needs of the society in general and Jharkhand in particular. The component of this society and the social dynamics are not confined to any one discipline. Therefore, a multidisciplinary approach with multi-prolonged exercise towards understanding social needs is the thrust area of this book.

We invite research articles from, the faculty of this College and the cross section of the society to contribute to their research papers to this proposed book which is being published with a special focus on the Jharkhand Development.

We hope the presentation of this research papers will help to shape the global understanding of Jharkhand. In this drive, we welcome the friends of Jharkhand to come forward with their research and analysis which will help us for better understanding of ourselves.

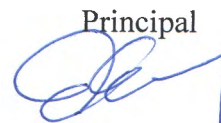

**Format for the Research Paper:-**
